C. Must have at least five (5) publications in microbiology published in ISI/WoS/Scopus-indexed journals within the last seven (7) years, of which at least two (2) have the nominee as the lead or corresponding author. The articles should not have been previously used as equivalencies for the certification as RMicro without exam. (Attach proofs of publications: first page of the article and proof of indexing.)
D. Must have garnered two (2) national/international professional awards in the field of microbiology. For awards that are ranked, only first placers are considered. University awards are not categorized as national awards.
E. Three (3) publications in microbiology in ISI/WoS/Scopus-indexed journals with the nominee as the lead /corresponding author can be used to replace one of the required national/international awards. These are in addition to the required number of publications; Substitution of three (3) ISI/WoS/Scopus-indexed articles for one national award can only be used once for Diplomate/Fellow membership to the Academy.
MS/Doctorate holders certified as RMicro without taking the certification examination must have a one-year residency as RMicro. The articles used in the substitution for the microbiology units in the RMicro application can no longer be used for substitution for national/international award.
<i>I vouch for the nominee's good moral character and fulfillment of the aforementioned criteria.</i>
